Program Guidelines

1. All applications submitted to the Sponsor-A-Vet Program must be accompanied by a letter stating the requester's need for assistance.
2. The maximum amount of assistance awarded by the Sponsor-A-Vet Program will be \$200.00 per application.
3. The Sponsor-A Vet Program may subsidize up to 3 donations per family group. A "family group" is defined as ALL RELATED FAMILY MEMBERS REQUESTING naming on the Honoring All Veterans Memorial monument.
4. If a Family Group application is submitted, even those which may include a Sponsor-A-Vet Program application, none of the names will be submitted for engraving until all applications are PAID IN FULL.
5. All Sponsor-A-Vet Program requests will be reviewed by the Honoring All Veterans Memorial Board or the Sponsor-A-Vet Subcommittee according to the above-listed criteria. Once a determination has been rendered, the requestor will be notified in writing of the Board/Subcommittee's decision. This process could take approximately four to six weeks.
